ORDER

WOLF, D.J.

June 1, 2009

The court has read the Government's Response to Paragraph 1 of Part II of the May 18, 2009 Order. That Response states, in part, that: "The Acting United States Attorney will strongly encourage Assistant U.S. Attorneys who handle criminal cases to participate in the [court organized] training program, consistent with the USAO's staffing needs and the workload of its Assistants. The Acting U.S. Attorney will not require U.S. Attorneys to attend"

By the time the program is presented in the Fall of 2009, a new United States Attorney may have been appointed. Therefore, the court will defer deciding whether to order that, as a sanction for the government's failure to adequately train and supervise the lead prosecutor in this case, it is necessary and appropriate to order that all Assistant United States Attorney's who handle criminal cases attend the program unless excused by the court.

Accordingly, it is hereby ORDERED that the United States Attorney shall, by September 18, 2009, update the response to the May 18, 2009 Order concerning whether she or he intends to require

all Assistant United States Attorneys who handle criminal cases to attend the program concerning discovery in criminal cases being organized by the court unless excused by the United States Attorney.
